

TaskManager::Task

```
classDiagram
    class TaskManager_Task["TaskManager::Task"]
    class MyTimer
    MyTimer --|> TaskManager_Task
```

The diagram illustrates a class hierarchy. At the top is a white rectangular box with a thin gray border containing the text "TaskManager::Task". Below it is a gray rectangular box with a black border containing the text "MyTimer". A red arrow points vertically from the top center of the "MyTimer" box to the bottom center of the "TaskManager::Task" box, indicating that "MyTimer" inherits from "TaskManager::Task".
